### Gender and Justice: Why Women in the Judiciary Really ...

Given the level of violence women face in conflict situations, Hellsten argues that a successful transitional justice process needs to pay special attention to the gender dimensions of the conflict. However, there are a number of reasons why such attention is often not given, and why problems based on gender are often marginalized during the transitional justice process.

### Gender and Transitional Justice - United Nations University

Women's Participation and Transformative Leadership is Oxfam GB's number one programme priority on Gender Justice. It aims to strengthen women's individual and collective power to end poverty and challenge inequalities, as well as promote an enabling environment for women's participation and leadership.

### Gender justice and women's rights | Oxfam Policy & Practice

Transitional justice responses to gender-based violations during conflict and authoritarian rule are essential for ensuring justice for victims, combating women's marginalization, and preventing future violations against women and other communities targeted for their gender.

### Gender Justice - accountability for gender-based ...

Gender Justice is grounded in the theological concept of men and women, created in God's image as equal in rights and dignity. Gender Justice recognizes and addresses systems and situations of imbalance and injustice, using strategic instruments and capacity building to help transform relationships.

### Gender Justice | The Lutheran World Federation

Oxfam prioritizes gender justice and women's rights, recognizing its centrality transforming the lives of women, families, and communities. We believe that strengthening women's agency and space is an essential precursor to achieving gender equality as well as political, social, economic, cultural and environmental security.

### Gender justice | Oxfam

Moussa Soumahoro discusses gender inequality and injustice against women in African societies and emphasizes the respect of equity and equality between men and women as one of the priorities of Catholic social thought. Education is one of the key ways Catholic social thought seeks to end injustice.

### BRAC: Gender Justice and Diversity

The Center for Gender and Justice (CGJ) seeks to develop gender-responsive policies and practices for women and girls who are under criminal justice supervision. The Center is committed to research and to the

implementation of policies and programs that will encourage positive outcomes for this underserved population.

#### **The Center for Gender and Justice**

Specifically, it analyses government measures with a gender lens in three areas: those that tackle violence against women and girls, support unpaid care, and strengthen women's economic security. The tracker shows that most of the world's nations are not doing enough to protect women and girls from the economic and social fallout caused by the COVID-19 crisis.

#### **Gender equality matters in COVID-19 response | UN Women ...**

Gender equality "does not mean that women and men will become the same, but that women's and men's rights, responsibilities and opportunities will not depend on whether they are born male or ...

#### **Why We Need Gender Equity Now - Forbes**

Women tend to be more caring, while men are more concerned with the truth and finding justice. "We know that like race, gender matters. A plethora of studies make clear that in rape cases, for example, female jurors are somewhat more likely to vote to convict than male jurors." (Excerpts From Supreme Court Opinions on Sex as Jury-Selection Standard , 1994)

#### **How gender affects offenders and officers in the criminal ...**

The death sentence is not fairly, justly, or evenly applied across both race and gender. In addition, poor suspects are never represented as well as the wealthy are. Like other executed and jailed women, Aileen Carol Wuornos, about whom I write in my new book, Requiem for a Female Serial Killer , and Lisa Montgomery, lived their entire lives in war zones.

#### **Is Justice Gender-blind? | Women's eNews**

The German government led an impressive justice audit in Bangladesh and would be well-placed to spearhead a project to move case files into a centralised online filing system—gender-based ...

#### **Why is it so difficult for Bangladeshi women to get justice?**

Gender mainstreaming is mandated by the 1995 Beijing Platform for Action as a strategic approach for achieving gender equality and women's empowerment at all levels of development. This publication display how the Platform commits all stakeholders in development policies and programmes, including United Nations entities, Member States, the international development community and civil ...
