Meters, such as the Velleman DVM68, allow you to select the metering range manually or to use the meter as an auto ranging meter. You select manual ranging or auto ranging by pressing the ranging mode button on the meter. The ranging mode you select, "Auto Ranging" or a value range, is displayed on the LCD. Step 2

How Do I Use an Auto-Range Digital Multimeter? | eHow

Q: You always say to read the book that spends most of its life in the glove compartment. I do my own basic maintenance on my vehicles and have always relied on the owner's manual. I recently purchased a 2019 Chrysler 300 from a dealer. The only book in the glove box was a very limited manual. I ...
