"Shimko provides a topical approach to international relations and hits on such hot-button issues as power politics, human nature, free trade, globalization, nuclear proliferation, terrorism, and the global commons. It is concise, but deep enough to allow students to engage fully without being intimidated by heft or haughtiness."

KEY CONTROVERSY 216 Discussions of international law have often been framed by the extremes—those who dismiss international law as a meaningless sham and others who see it as a tool for dramatically improving international order. Those who question the value of international law argue that because it is so diverse, vague, and contradictory,
