## **Macroeconomics - Pearson**

The third Canadian edition helps students understand recent economic events and the managerial and public policy responses to them. It places applications at the forefront of the discussion. We believe that students find the study of microeconomics more interesting and easier to master when they see economic analysis applied to real-world issues that concern them.

This is the only book that provides business students and MBAs with a thorough and applied understanding of both micro- and macroeconomic concepts in a way non-economics majors can understand. The third edition retains all the same core concepts and straightforward material on micro- and macroeconomics while incorporating new case material and real-world examples that relate to today's managerial student.
