ClassZone: Patterns of Interaction

The Germanic people were a diverse group of migratory tribes with common linguistic and cultural roots who dominated much of Europe during the Iron Age. When the Roman Empire lost strength during the 5th century, Germanic peoples migrated into Great Britain and Western Europe, and their settlements became fixed territories.

The Germanic Tribes | Western Civilization

Historic recurrence is the repetition of similar events in history. The concept of historic recurrence has variously been applied to the overall history of the world (e.g., to the rises and falls of empires), to repetitive patterns in the history of a given polity, and to any two specific events which bear a striking similarity.. Hypothetically, in the extreme, the concept of historic ...
