Ladies' Old West Unmentionables - Spur Western Wear

Often times children were forced to wear loose corsets in order to train themselves to be able to wear a full corset by the age of fourteen. As an adult woman, the average waist in the 1860's and 1870's was between twenty five and twenty eight inches, but the average waist when corseted was a mere twenty one inches and women were competing to have the smallest waist which had detrimental ...

I Wore A Victorian Corset For A Day - YouTube

Corsets were worn by women – and sometimes men – in the Western world from the 16th to the early 20th century, although corset-like garments can be traced as far back as 1600 BC. What began as a close-fitting sleeveless bodice evolved into an undergarment with stays made of whalebone, and then steel, that encircled the ribs and compressed the natural waist.

The History Of The Corset | British Vogue

A corset is a garment worn to hold and train the torso into a desired shape, traditionally a smaller waist or larger bottom, for aesthetic or medical purposes (either for the duration of wearing it or with a more lasting effect), or support the breasts. Both men and women are known to wear corsets, though this item was for many years an integral part of women's wardrobes.

Corset - Wikipedia
