### Why Public Schools Voices From

Public schools have to serve every child in a community. They don't get to cherry-pick only the brightest or wealthiest students. And that's a large part of their appeal to me. Attend a public school, and you're getting to know people from every corner of your community, not just people of the same religion or social class.

### Why I Send My Children to Public Schools | HuffPost

Methodology. The Voices from the Classroom survey questionnaire was developed by a dozen Educator for Excellence member teachers from across the United States. The instrument was written and administered by Gotham Research Group, an independent research firm, and conducted online from April 14, 2018, through May 6, 2018, among a nationally representative sample of 1,000 full-time public school ...

Public schools effectively provide the skills necessary to succeed in the industrial economy. Today we live in a post-industrial economy, and a rapidly globalizing world. Because of its industrial roots, our school system considers some subjects (math, reading, and science) to be useful and important, while others (music, art, drama) useless and unimportant.
