A brief history of women in American politics | Washington ...

Historians once assumed that, because women in the era of the American Revolution could not vote and showed very little interest in attaining the franchise, they were essentially apolitical beings. Scholars now recognize that women were actively engaged in the debates that accompanied the movement toward independence, and that after the war many sought a more expansive political role for ...

Women and Politics in the Era of the American Revolution ...

In fact, well into the 1990s segments of American society doubted whether women candidates could balance domestic responsibilities and a professional life. Although male political opponents were less inclined to exploit it in latter decades, women politicians were repeatedly put on the defensive by the media and constituents who raised the issue.

Postwar Gender Roles and Women in American Politics | US ...

When Frances Perkins was chosen as a Cabinet minister, it ushered a new era for women in politics. Since then, a lot of women have made their mark in American politics, with Hillary Clinton, Condolezza Rice, and Sarah Palin being the important ones of our era. In the world politics too, women went on to hold high offices.

Role of Women in Society - Opinion Front

What the men actively seeking to subvert women's rights need to understand once and for all is that everything is a "women's issue" and women have had enough. Our country's rank for women's political representation, 78th in the world , is dropping and the gender gap in political ambition is growing with obvious ill effects for women's health, economics, education and work.
